

Equipment Financing & Leasing

For over 140 years, **Univest** has partnered in our local business communities' development, growth, and helped share their vision. We understand that each company is unique and so are their borrowing needs, that's why we offer many flexible, equipment financing and leasing options.

HOW WE'LL WORK WITH YOU:

Our team of experts will work with you to identify the best financing options to build your business by closing more sales, while conserving working capital. Whether it's titled vehicles, automated manufacturing, technology components, and more, we can provide:

- ✓ No money down options
- ✓ Flexible structures tailored to your cash flow
- ✓ Competitive rate options
- ✓ Variety of programs available
